Mrs. Jones is interested in taking care of the school store for next year.

G. Mr. DeLucia

Mr. DeLucia suggested that we keep people informed of the budget possibly by putting it on the back of the Agenda with a breakdown for each month.

67 kids participated in Ident-A-Kid. We are the first TPS school to have Ident-A-Kid at our school.

The Honor Roll/Principal's List Luncheon will be Thursday, April 13 during regular lunch period.

TPS is privatizing food service in an effort to make lunch more fun and inviting. They are also training food service workers. The Board will still do hiring and will upgrade guidelines for healthier lunches. Hopefully a contract will be signed over the Summer with the company who does this.

The new Byrnedale will be open and we may have 6th graders there by 2007.

Mr. DeLucia brought up the point that maybe we are sending the wrong message to the kids by giving out Dress Down Day Passes to kids for bringing in old clothes. There are about 20 items in the box for the Canned Food Drive and there are 100's of bags of clothes.

H. Open Discussion

Josee has Kroger gift cards that can be purchased for \$5.00 each and they can be recharged at anytime, a percentage of what is spent goes to the school. Josee is also handling Market Day in May where people can purchase food items and pick them up at the school, also a percentage goes to the school.

Jerry Garczynski inquired about purchasing batting helmets and bases. Money can be taken out of the Pizza/Technology Fund.

Amy talked to Ellen Barnhizer about the missing books. Kathy in the office may have signed a form for Ellen to purchase books without knowing it had to be approved by the Parents' Club. \$494.00 worth of books was purchased but they have not come in yet.

The meeting was adjourned at 8:28 p.m.
