Library	3,147.85
Pizza	5,299.46
Pop	875.65
Teachers	<u>1,400.00</u>
Total	19,535.45

B. Introduction of John Foley, Interim Superintendent

TPS is working on ways to get community and parents involved in which the goal is to have continuous, effective improvement

How can we improve parent involvement? Meet with principal on opportunities to volunteer, parent-teacher conferences, tutoring, Parents Club meetings.

Who decides where students will go when school is being rebuilt? Administration brings to the TPS Board. TPS Board makes ultimate decision.

Marketing TPS-Parents are best marketing strategy. This helps promote district also. If something good happens come to the board meeting.

If an issue arises, the next in line after the principal of the school, would be Cecilia Adams and her telephone number is (419) 671-8313, next person would be Crystal Ellis (419) 671-8362 then it would be John Foley and his number is (419) 671-8282.

Check out tps.org to get information on all schools. Dr. Cecilia Adams would be able to help with visit/shadowing someone at Byrnedale Junior High.

All schools need 10 hours of parent involvement

Byrnedale Junior High will be opening in September 2007 and Bowsher High School is scheduled for September, 2008.

Bowsher is being built for current attendance and will phase out Libbey High School students.

- C. Motion to vote pop money to be used for 6th graders for 07/08 school year; everyone in favor

Meeting adjourned 10:10 a.m.
